TRAINING TO TEACH WITH HILLINGDON SCITT

Placement Schools:

Placements will be in 2 different schools in Hillingdon (North West London) or neighbouring London Boroughs

What do trainees actually think of Hillingdon SCITT?

As well as providing trainee teachers with complete immersion into school life, SCITT training provides a supportive network of people who will help see you through your training year.

I am incredibly grateful for how Hillingdon SCITT has prepared me for the NQT year and the knowledge it has given me compared to other colleagues who followed other ITT routes.
