

ISSUE 8 | JULY - AUGUST
2026

WEAPON SURRENDER

On the 27th August, Community Safety and AXIS worked collaboratively to support the weapon surrender van - Faz Amnesty in Hayes Town.

On the day, a number of professionals joined together and encouraged young people to hand in any weapons and joined in conversations around weapons and the impact they can have on our futures.

Overall, it was a positive day and has received excellent feedback.

AXIS BULLETIN

CANNABIS

Cannabis is a Class B drug Cannabis aka weed, bud, dope, draw, hash, marijuana, skunk) comes from the cannabis plant and can now be found in a variety of forms including green leaves, hard brown lumps, oils and even sweets (gummies).

Main components are THC (tetrahydrocannabinol) and CBD (cannabidiol).

Cannabis is usually smoked by rolling a 'joint' or eaten via gummies/edibles or vaped through liquid.

If you have concerns for a young person with substances please contact SORTED on the below. 01895 277222 or sorted@hillingdon.gov.uk
