

Careers Untapped

Wednesday 25th January 2023 16:30 - 18:00

Allied Health Professions & Healthcare Science Webinar

A 90-minute
webinar
showcasing lesser-
known careers in
healthcare.

TARGET AUDIENCE

Young people aged 13-18,
anyone interested in
understanding careers in
healthcare, careers advisors
who want to know more
about the lesser-known
roles in healthcare.

ABOUT THIS EVENT

This webinar will showcase
roles including Clinical
Physiologist, Radiography, Play
Specialist, Mammography,
Bioinformatics and many more.
Working for the NHS doesn't
mean you have to be a doctor
or nurse, and the aim of this
event is to show you how other
careers contribute to our
wonderful
healthcare service.
