## Advice and Strategies

1. The EAL Assessment Framework, tracker and strategies, essential to help monitor progress <https://www.bell-foundation.org.uk/eal-programme/eal-assessment-framework/>
2. Great ideas and strategies to use in the classroom to help all students, not just EAL ones <https://www.bell-foundation.org.uk/eal-programme/guidance/effective-teaching-of-eal-learners/great-ideas/>
3. A wealth of research and evidence for EAL <https://www.bell-foundation.org.uk/eal-programme/research/>
4. Please avoid EFL/MFL style resources as they don't help students to access the curriculum although the techniques are transferable, see Hampshire EMTAS Position statement on EAL resources [https://emtas.hias.hants.gov.uk/pluginfile.php/27379/mod\\_resource/content/2/EMTAS%20Position%20Statement%20Resourcing%20EAL%202022.pdf](https://emtas.hias.hants.gov.uk/pluginfile.php/27379/mod_resource/content/2/EMTAS%20Position%20Statement%20Resourcing%20EAL%202022.pdf)
5. Please avoid any site that claims to cater for EAL SEN and Literacy, again techniques might be transferable but the learners needs aren't the same
6. EAL and SEN <https://www.bell-foundation.org.uk/eal-programme/guidance/diversity-of-learners-who-use-english-as-an-additional-language/learners-with-special-educational-needs-or-disabilities/>
7. Teaching EAL Mesh Guide <http://www.meshguides.org/guides/node/1487>
8. Don't take EAL students out of MFL classes or practical subjects
9. Don't put students back a year to 'catch up' or learn English. They'll lose a year of funding at post-16 when they are entitled to three years <https://documents.hants.gov.uk/education/emtas/EMTASGuidanceonDeceleration.pdf>
10. Where do you place EAL students within sets, groups and streams? See Hampshire EMTAS' position statement <https://emtas.hias.hants.gov.uk/blog/index.php?entryid=98>
