AELP www.aelp.org.uk

The Association of Employment and Learning Providers. AELP is an award-winning national membership organisation that represents the interests of an extensive number of organisations that deliver apprenticeships, employability support and other vocational learning. At AELP our primary focus has always been on supporting our members and working hard to make sure that the Government hears your views. We have been lobbying extremely hard to ask for the changes that we know will make a big difference to your organisation and your learners.

Gabby Harvey gharvey@aelp.org.uk

Ambitious about Autism www.ambitiousaboutautism.org.uk

We stand with autistic children and young people, champion their rights and create opportunities. We run specialist education services, an award-winning employment programme and children and young people are at the heart of our charity's decision-making, policy work and campaigning.

Employ Autism: ean@ambitiousaboutautism.org.uk

Training and Consulting: training@ambitiousaboutautism.org.uk

Executive Education: hvaller-still@ambitiousaboutautism.org.uk

ASK Apprenticeships www.educationdevelopmenttrust.com/contact-ask

We are the delivery partner for the Apprenticeship Support and Knowledge programme (ASK) across the London region, working with teachers, careers advisers, parents and governors, alongside other key partners, to develop and transform how students think about apprenticeships.

Blackbullion Futures <https://business.blackbullion.com>

Blackbullion Futures is filled with independent, fun and engaging learning for 16-19 year olds, and their parents/guardians. Our free pathways and resources around post 16 qualifications will help you explore career pathways, financial wellbeing and education choices available after secondary school.

Care Providers' Voice <https://cpvnel.co.uk>

A free network connecting all care providers across London.

hello@cpvnel.co.uk

Career Development Institute www.thecdi.net

The CDI is proud to be the UK's professional body for all aspects of career development, supporting our members to work to the highest standards and championing the profession

Sue.alder@thecdi.net

CareerEar www.careerear.co.uk

At CareerEar, we believe people can achieve their full career potential if they have access to sound advice, insights, and are given the encouragement to go for it.

info@careerear.co.uk

Careers & Enterprise Company www.careersandenterprise.co.uk

Set up by government in 2015, our mission is to help every young person to find their best next step.

We are the national body for careers education in England, supporting schools and colleges to deliver modern, 21st century careers education.

www.careersandenterprise.co.uk/contact-us

CITB (Construction Industry Training Board)

CITB is the [industry training board](#) for the construction sector in England, Scotland, and Wales. It's our job to help the construction industry attract talent and to support skills development, to build a better Britain. We are an executive non-departmental public body in charge of our budget and activities. Sponsored by the Department for Education, we are also accountable to government ministers, and ultimately Parliament.

www.goconstruct.org

Website dedicated to construction careers, signposting, advice, A-Z list of occupations/routes, and a rich variety of resources (information and interactive videos, games/psychometric exercises, educational / contextualised resources)

talentview.org/construction and www.trs-system.co.uk/construction are new portals dedicated to jobs and early careers opportunities in construction including apprenticeships, work placements. Students can add their CV and profile

CITB Advisors carl.licorish@citb.co.uk or anthony.frayne@citb.co.uk

City and Guilds www.cityandguilds.com

We partner with our customers to deliver work-based learning programmes that build competency, to support better prospects for people, organisations and wider society. We create flexible learning pathways that support lifelong employability, because we believe that people deserve the opportunity to (re)train and (re)learn again and again – gaining new skills at every stage of life, regardless of where they start.

DWP – JCP Support for Schools

JCP Support for schools is intended to assist schools in England to deliver their statutory duty to provide high quality, independent and impartial careers advice to pupils aged from 12/13 up to 17/18 years of age, (school years 8 to13). It is aimed at facilitating an effective transition from school into work, training, or further study.

We provide the following sessions:

- ◆ Information about routes into Apprenticeships and Traineeships
- ◆ Employability skills
- ◆ CV writing, interview skills and job search skills
- ◆ Mock interviews
- ◆ Information on the local labour market, employers, and work experience

We are a free service aimed at supporting schools to deliver the careers agenda and help them to meet the Gatsby Benchmarks

We are a non-profit organisation working on an exciting agenda.

To catalyse the collective strengths of our members to build a clean energy system for everyone's benefit.

enquiries@solarenergyuk.org

Speakers for Schools www.speakersforschools.org

Founded in 2010 by ITV's Political Editor, Robert Peston, our aim is to end educational inequality by giving all young people access to the same prestigious networks available to the top fee-paying schools in the UK. Through talks from today's influential figures via our Inspiration programme, our Experience work experience programme linking state school students to industry-leading companies and networked support partners we are helping level the playing field for young people of all backgrounds. And, we keep our services for our schools and students entirely free of charge.

Springpod www.springpod.com

We'll help you explore options for your future.

Making decisions about your future can be tricky.

Even if you know what you want do, finding work experience, or comparing courses can be confusing.

Springpod gives you access to different experiences, for free!

jo.bishop@springpod.com

STEM Learning www.stem.org.uk

At STEM Learning, our commitment to STEM education is part of everything we do. Whether that's delivering teacher CPD (continuing professional development) in STEM subjects, bringing STEM role models into schools as part of the STEM Ambassador Programme or providing bespoke, long-term support for groups of schools in collaboration with companies through our ENTHUSE Partnerships, our aim is always the same – to provide a world-leading STEM education for all young people across the UK.

Talentino are SEND careers champions, our team is upbeat and optimistic, and we collaborate to inspire others to get behind our vision.

hello@talentinocareers.co.uk

Tech She Can www.techshecan.org

Collectively, we inspire and educate girls and women to study technology subjects and pursue technology careers so that they have an equal opportunity to participate in the jobs of the future.

The Inspirational Learning Group www.inspirationallearninggroup.co.uk

In the Summer of 2012, Ben and Michael sat in a coffee shop in Staffordshire University. Sitting opposite them were two well-dressed professionals talking about how young people didn't have the skills needed for the world of work.

From this conversation, the idea for The National Enterprise Challenge was born and has been running since the following year (2013).

The launch of TILG provided an opportunity to develop a whole range of additional challenges and programmes to help young people to make informed decisions about their futures and to provide them with the skills required to begin their journey to career success.

U-Explore <https://website.u-explore.com>

U-Explore is an EdTech company specialising in careers guidance for young people in schools and colleges.

We're passionate about making sure that every young person has access to the best information, advice and opportunities that will shape their future, regardless of who or where they are. Our mission is to create the place to make this happen.

matt.peters@u-explore.com

Unifrog www.unifrog.org

The complete destinations platform.

We help students compare every opportunity, then apply successfully. We also empower teachers and counsellors to manage the progression process effectively.

Uptree <https://uptree.co>

The professional network connecting young people and employers

Uptree is bridging the gap in the UK. We help young people engage with the world of work. We help employers reach out to young, diverse talent.
