**The Laurel Trust sends a heartfelt thank you to every school for all they have achieved for children and communities in tough times. It wishes to offer collaborations of schools in all phases including early years and special schools/settings an opportunity to apply for funding. The proposed research must focus on an area of deprivation and disadvantage and improve outcomes for children and their families.**

**The grants are designed to support groups of schools to work together to re-imagine education in our current world, and to place emphasis on a culture rooted in emotional and academic resilience.**

**Online briefings will be held to support schools which are thinking of making an application. Details of the briefings are on the following page.**

Details of how to apply will appear on the Laurel Trust website on **17 MARCH 2023**

The application round will close at 5pm on **16 JUNE 2023**

# The Laurel Trust **Online Briefings** for Spring 2023 Recruitment

This opportunity to apply for grant funding opens on the **17th of March 2023** and closes on **16th June 2023**. For collaborations of schools considering making an application the on-line briefings offer an opportunity to learn more about The Laurel Trust, ask questions and, most importantly, to receive some guidance on making your application.

Whilst the invitation to apply is open to all schools in England this year we are also targeting certain areas from which we have few applications. These include:

North-West/Yorkshire and Humber	25th April 2023 at 11am
East Anglia	27th April 2023 at 11am
South-West	27th April 2023 at 2pm
Nationwide for all areas	28th April 2023 at 11am

If you are not able to make the briefing targeted at your area please feel free to join another.

To apply to join a meeting please email: [maggie.roger@outlook.com](mailto:maggie.roger@outlook.com), our Consultant Director and joining details will be sent to you.
