

# Construction and Employability

## Introduction

Our construction programme supports young people in a free 8-week construction course. It fully equips participants with the construction knowledge required to thrive in the construction industry. This online programme has been designed to support progression into further education in college, a traineeship / apprenticeship or work.

## Eligibility

- 16 - 24 year olds
- NEET
- Right to live and work in the UK (Valid ID such as passport or birth certificate, proof of address in the last 3 months and NiNo required)
