

School Holiday Programmes

Continuing on from our successful delivery in the Summer we are happy to announce our next set of school Holiday programmes, which are available to all students in Y11 and Y12. We are looking to come into schools to come and promote these programmes from December onwards, and it would be great to be able to book in an assembly to speak with your Y11 and Y12 students! This would take around 15 minutes if done in an assembly format, but we are equally happy to discuss alternative ways of promoting such as taster sessions or online webinars for your students. Please see the below summary of our programme plan for school holidays:

February Half Term – Y12 Focus

- 2 Day Life Skills and Outdoors Programme
- 3 Day Social Action and Youth Voice Programme
- 2 Day Employability and Uni-Ready Programme

Easter Holidays – Y12 Focus

- 2 X 3 Day Life Skills and Outdoors Programme
- 2 X 3 Day Social Action and Youth Voice Programme
- 1 X 2 Day Employability and Uni-Ready Programme

Summer Holidays – Y11 Focus

- Multiple 3 Day Life Skills and Outdoors Programmes
- Multiple 3 Day Social Action and Youth Voice Programmes

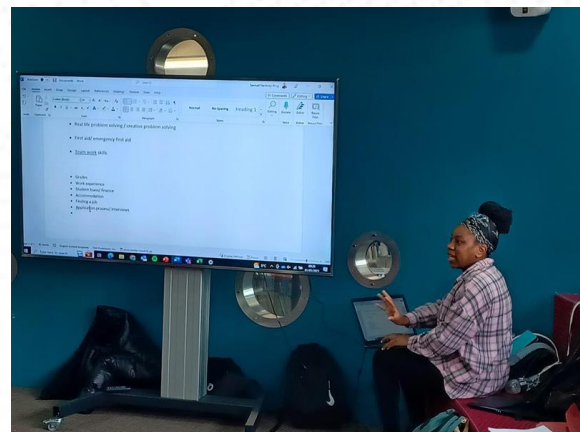

If you would like to discuss in more detail please let me know and we can book in a time to discuss what these offers can provide your students!

In School Programmes

Following on from a successful implementation with Cranford Community College, we are delighted to be able to offer any of our previously mentioned programmes as complimentary provision to go alongside your curriculum. We are able to run programmes as part of school wide initiatives for your entire year group such as drop down curriculum days, run programmes with specific groups during regular timetable slots, or running as an extension of projects like gifted and talented during student study periods. **This programme is free of charge, and all students receive recognition from the prime minister through certificates to confirm their completion of our activities, whilst our programmes support you in evidencing in Ofsted Reports or achieving your Gatsby Benchmarks.** We are happy to provide our curriculum in formats that work for you and your school, and we are flexible about how they are implemented for your students.

If you would be interested in running an in School NCS@Brentford programme please get in contact to arrange a meeting – **we have limited capacity to run these programmes and they will be set up on a first come first served basis.**

After-School Programmes

Are you interested in the prior offers, but don't think you'll be able to find the time due other competing priorities such as exams or strict assembly schedules? Then do not worry we have a solution!

We are excited to offer a limited amount of NCS@Brentford after-school clubs designed to be as easy and hassle free to get set up as possible. These clubs offer the benefits of the previous programmes, with the convenience of an after school club for your students whilst not needing to impact on any of the school day's activities. We have 4 different clubs available we can run at your school, and you are welcome to let us know which you think would be best for you and your students.

- Live It Up Club – Life Skills and Independence Club
- Change it Up Club – Youth Voice and Social Action Club
- Skill it Up Club – Employability and Careers Club

As with our in School programmes we can only run a limited amount of these clubs and they will be set up on a first come first served basis. Please contact us if you would like to get this set up for your school!
