Trends and Themes

- Identified an increase in HSB (Harmful Sexual Behaviour) which has been previously mentioned. Currently analysing the data, looking to identify possible trends and themes
- Hotels have been mentioned in reference to under 18's attending with potentially older males. The Heathrow area in particular has been mentioned as well as an abandoned building.
- Mention of knives to school
- Gangs/areas within Hillingdon potentially affiliating. West Drayton/Hayes e.g. Intelligence has shown Hayes young people linked to Rayners Lane gang members
- Spice found in vapes and cannabis
