

Curious about Core Maths?

Here is a perfect opportunity to find out more.

Find yourself asking or being asked these questions and more?

What is Core Maths?

Why Core Maths?

What is the Core Maths Premium?

How to get started?

What support is out there?

Then this London Central and West Maths Hub webinar led by a local Core Maths Specialist Lead will provide a brief overview of Core Maths answering these questions and more.

Further background

On 13 February 2024, the Government announced that there will be additional funding of £900 for each Level 3 Core Maths student. This will be available for one year per student.

Here, you will find lots of information and guidance on how the AMSP can support your school's Core Maths provision.

Wednesday 8th May 2024

4pm to 5pm
