

Bridging the gap

The economy is ever-changing. Our project can help you **bridge the gap** for your students – stay up-to-date with employment trends, what skills are in demand and the nature of work.

What?

An opportunity to **engage with employers** and understand the current labour market, helping you meet Gatsby Benchmarks 4 and 6.

Why?

Increase your confidence and knowledge of the range of opportunities in today's world of work, so you can support your students.

When?

Project runs from April to August 2024 – this includes employer visits.
