About these courses:

Introduction to Understanding ADHD - This is an introductory course to increase learners' knowledge and understanding of Attention Deficit Hyperactive Disorder (ADHD). Learners will explore symptoms and behaviours related to the condition, as well as treatments and services available to support individuals and families.

Career Pathways Workshop NHS – This workshop will help you understand the different roles in the NHS and the qualifications you will need to gain, depending on your chosen pathway to work within this service.

These courses are fully funded so please enroll by calling 01895 556455 or email civiccentre@hae-acl.ac.uk
