

Introducing this year's Summer Reading Challenge, Marvellous Makers, which celebrates creativity of all kinds. To launch the challenge at **Hillingdon Libraries**, we are excited to announce we will be hosting **author Steve Antony** for *two virtual sessions on Teams*. These are free for schools to attend.

Friday 5 July 9.30am - 10.15am KS1

Friday 5 July 10.45am - 11.30am KS2

Each of the virtual sessions will include a short reading, a draw-along and an activity for the children to work on in their own time after the event, both will use Steve's book *Rainbowsaurus* as a source of inspiration.

Steve is an award-winning writer and illustrator of 22 children's books. Steve is colour-blind and usually uses limited colour palettes as seen in his ongoing *Mr Panda* series which has sold over 1.4 million copies worldwide.

If you would like to book onto either of the sessions, please contact Gill Day, gday@hillingdon.gov.uk. In your email, please include the year groups and number of classes you expect to attend each of the sessions.
