

Are you between Year 9 and age 26 with lived experience of SEND? Would you like to share your experiences and knowledge to help shape the future of the Council?

Join our new youth forum Aim High!

You do not need to have an EHCP but need to live in Hillingdon borough currently and identify as having Special Educational Needs and/or Disabilities.

**Aim High believes in equality for everyone and changing the world together. We want you to help us take our first steps in this by making our SEND services more effective for young people in our borough.**

Sign up to join our monthly Aim High forum! We will be in touch with the next meeting date and all the information you need using the QR code or the link:
