Writing Teacher Assessment

Use the Teacher Assessment Framework for writing

- TA should be a **cumulative** judgement and not based on one piece of work
- Please access STA exemplification material online

HILLINGDON
LONDON

Working at the expected standard

The pupil can:

- write effectively for a range of purposes and audiences, selecting language that shows good awareness of the reader (e.g. the use of the first person in a diary; direct address in instructions and persuasive writing)
- in narratives, describe settings, characters and atmosphere
- integrate dialogue in narratives to convey character and advance the action
- select vocabulary and grammatical structures that reflect what the writing requires, doing this mostly appropriately (e.g. using contracted forms in dialogues in narrative; using passive verbs to affect how information is presented; using modal verbs to suggest degrees of possibility)
- use a range of devices to build cohesion (e.g. conjunctions, adverbials of time and place, pronouns, synonyms) within and across paragraphs
- use verb tenses consistently and correctly throughout their writing
- use the range of punctuation taught at key stage 2 mostly correctly[^] (e.g. inverted commas and other punctuation to indicate direct speech)
- spell correctly most words from the year 5 / year 6 spelling list,^{*} and use a dictionary to check the spelling of uncommon or more ambitious vocabulary
- maintain legibility in joined handwriting when writing at speed.²

Working at greater depth

The pupil can:

- write effectively for a range of purposes and audiences, selecting the appropriate form and drawing independently on what they have read as models for their own writing (e.g. literary language, characterisation, structure)
- distinguish between the language of speech and writing³ and choose the appropriate register
- exercise an assured and conscious control over levels of formality, particularly through manipulating grammar and vocabulary to achieve this
- use the range of punctuation taught at key stage 2 correctly (e.g. semi-colons, dashes, colons, hyphens) and, when necessary, use such punctuation precisely to enhance meaning and avoid ambiguity.[^]

[There are no additional statements for spelling or handwriting]

KS2 Writing

- Writing is the only teacher assessment subject that is moderated
- Teacher assessment framework does not cover all of the national curriculum content and is used for end of year assessment only (*Refer to it throughout the year*)
- Need to refer to national curriculum programmes of study and Year 5/6 spelling lists
- ‘Pupil can’ statements form a basis

KS2 qualifiers and examples

- **Most** - indicates that the statement is generally met with only occasional errors
- **Many** - indicates that the statement is met frequently but not yet consistently
- **Some** - indicates that the knowledge or skill is starting to be acquired and is demonstrated correctly on occasion, but is not yet consistent or frequent
- Some statements contain examples - these examples do not indicate evidence required - only how statement may be met
- Refer to national curriculum and STAs exemplification material

Evidence for judgements - moderation

- Sound and demonstrable evidence
- Should be from day to day work in classroom
- A pupil's work in books will often have all the evidence a teacher needs - but could come from other sources
- Avoid excess evidence gathering

KS2 moderation 2025

- Summer term - 25% of schools (including academies)
- Schools to be moderated informed - Friday 16th May
- Visits between 2nd June - 27th June
- Selected 4 year cycle as a minimum (plan for 3 years)
- Additional schools may be added by the LA/DfE/STA/Ofsted
- Teacher assessment framework 2018/2019 onwards
- TAF and guidance is available online

New SAT to eliminate archaic words :

So Lady Macbeth is all "No way!"
And Macbeth goes "Yes, way."
Then Lady Macbeth is like
"No way, dude!"
Yo! Macbeth is totally
"OMG LOL"
