He works closely with our gold and silver schools and specifically individual teachers who deliver PE in the school. He has been supporting SHSSN schools and their staff to deliver High Quality PE, in all year groups, including reception. He has a drive to ensure schools deliver physical activity and competition provision that supports young people's wider development, alongside creating positive environments. Alan also supports and leads the development of whole school initiatives, particularly concentrating on increasing participation and active healthy lifestyles. His invaluable support in numerous schools has included before, during and after Ofsted inspections, particularly for PE deep dives.

Becci Cooke - School Games Organiser

Becci, is an experienced Secondary PE teacher and has been a Hillingdon School Games Organiser for over 12 years. She is part of the founding SHSSN team, launching its values and practices and helping shape the current excellent programme it is today. She is dedicated to identifying and targeting provision to those who will benefit most from increasing their levels of physically activity and creating positive experiences in sport and PE. Alongside this she is a strategic lead for Barclays Girls School Football Partnerships, whose aim is to give all girls equal access to football.
