

CoachBright are looking for secondary schools in England to join our **EEF funded** research trial.

In 2025/2026, we'll be exploring the impact that our Peer to Peer coaching programme has on the **maths attainment, self-efficacy, and school attendance** of Year 7 and Year 10 pupils.

We are looking for schools to take part in this exciting research trial from the following locations:

What is Peer to Peer Coaching?

We train your Year 10s to be coaches, and then support them as they coach a Year 7 pupil in maths over ten weeks.

Find out more

Click [here](#) or visit coachbright.org/eef to book on to a short information webinar.

We may consider other locations so please get in touch.

School and pupil eligibility criteria will apply.
