## SCHOOL

- Strategic impact on whole school careers provision
- Significantly enhanced Careers Related Learning programme
- A bridge to the outside work of employers
- Raised student ambition

## PERSONAL PROFESSIONAL DEVELOPMENT

- Harnessing and identifying transferable skills
- Learning opportunities
- Greater confidence and authority to lead a vital area of the school
- Clarity for strategic overview
- Networking

*My ambition is that the role of the careers leader will become known, understood and respected, not only in every school and college, but at a national level.*

*I want careers leaders to become a well defined professional group with the respect and networks of exchange and support that every strong profession has.*

*Sir John Holt: University of York ( August 2018)*
