

Date: 09 January 2026

Dear local authority attendance lead,

Thank you for your ongoing work with pupils, families, schools and trusts around the country to continue to drive attendance improvements. We hope that you had a restful break for the Christmas holidays.

I am writing to inform you that we will be launching our [RISE attendance and behaviour hubs programme](#) in the coming months. The hubs programme is intended to galvanize a community of practice: allowing schools to work together to share practice and insights. It is part of a broader programme of activity from DfE, alongside new data tools and [attendance baseline improvement expectations](#), to meet the urgent attendance challenge.

Last term, we appointed a number of lead schools, with strong practice, who will be shortly establishing new regional hubs around the country. We currently have an open [expression of interest form](#) for any schools that would like to be supported through the programme. **We would be grateful if you could share this opportunity with any primary or secondary schools in your local authority who may be interested in participating, as soon as possible this year.** The EOI will close in February so we'd be grateful if you could share this opportunity in the coming fortnight.

There are two main pathways that partner schools can access:

1. Regional support for schools who want lighter touch support to help them make changes to their practice. Partner schools will have access to a structured attendance and behaviour CPD offer, opportunities to visit their lead school, and discuss and share practice with other schools in their hub.
2. Enhanced support for schools that want and need more concerted support to improve their school's attendance and behaviour. Partner schools will have access to 10 days of intensive leadership support over 3 terms supporting them to develop and implement an attendance and behaviour focussed action plan.

I have attached a list of lead schools that have been appointed for all regions for reference. This information is not yet in the public domain so would be grateful if you could keep it within your authority. I know that a number of you are also already in dialogue with our regional teams to support this initiative.

Thank you for your ongoing support, and leadership of this issue.

Best wishes,

Simon Blake

Deputy Director, Attendance Division

## **Annex A: Schools appointed to lead RISE attendance and behaviour hubs**

### **East of England**

<b>School name</b>	<b>Phase</b>
Tennyson Road Primary School	Primary
Denbigh High School	Secondary
Bedford Free School	Secondary
Purford Green Primary School	Primary
Woods Loke Primary School	Primary
Southfield Primary Academy	Primary
The Eastwood Academy	Secondary
Chesterton Community College	Secondary
Ely College	Secondary

### **East Midlands**

<b>School name</b>	<b>Phase</b>
Bluecoat Wollaton Academy	Secondary
Charnwood College	Secondary
Granville Academy	Secondary
Sir Jonathan North Girls' College	Secondary
The Newark Academy	Secondary
Church Lane Primary School & Nursery	Primary
Sneinton St Stephen's CofE Primary School	Primary
Hollingwood Primary School	Primary
Keelby Primary School	Primary
