SUMMARY OF SERVICE

The SCHOOLS FINANCE TEAM offers support in all areas of school finance, including statutory and non-statutory financial support to help with the effective financial management in schools. The service provides support for your school across a range of management and administrative financial functions. The team's knowledge of schools' differing needs enables us to provide a bespoke tailored support service specific to the needs of your school, in an efficient and cost-effective way.

Statutory items (cost free) provided to maintained schools by the Schools Finance Team:

- Administration of the delegated and devolved funding formulae.
- Advising schools of budget shares and answering brief telephone queries regarding budget shares.
- Administering and managing the Dedicated Schools Grant and its contingency funds.
- Ensuring the Local Authority's financial database is up to date, including the processing of completed and accurate final returns from schools for incorporation into the LA's Annual Statement of Accounts.
- Preparation of the Scheme for Financing Schools following consultation with schools and other stakeholders
- Monitoring of schools' budgets for LA purposes.

Schools will be notified promptly of any changes to charges

An initial response to all queries from schools within 72 hours

Correspondence to be acknowledged within 7 working days with a full reply within 12 working days

MONITORING AND EVALUATION

Schools are encouraged to provide feedback to the service manager as well as discuss any specific requirements

Service provision will be reviewed continuously to maximise opportunities to enhance what we can offer schools.

ENTITLEMENT

Schools call upon the service will be accommodated as far as resources allow. We will continue to offer a two-tier level of telephone support service with schools given the choice whether they buy ten or twenty hours of telephone/remote support.

Additional charges (using an hourly rate of £60 per hour) may apply at times when a school uses more than the allocated telephone or remote support per annum. However, if this occurs the school will be contacted to discuss before additional charges are applied.

Where capacity allows, we will offer an ad-hoc bursar support package to assist schools who appoint new bursars. This package will include induction of new staff and support them with quarterly returns and year-end processes¹.

Link officers will be available to support / assist all schools. Visits to schools will therefore be subject to operational capacity and limited to the number included in the price of SLA purchased and where capacity allows additional chargeable visits can be scheduled. Any additional visits will be charged at an hourly rate of £60.

School visits could be in person or virtual subject to requirement/need/availability. The maximum no of hours for a visit is six hours.

Schools converting to Academy or Amalgamating will be charged the full annual cost which will incorporate support in closing of the redundant school's accounts. Usually within three months of conversion or closure.
