This calendar, produced by Hillingdon Standing Advisory Council for Religious Education, is a celebration of Religious Education teaching and learning in our schools as well as the cultural and religious diversity in Hillingdon.

All the artwork has been provided through a borough-wide poster competition and is based on the theme of a festival or a "Big Day" that shows their beliefs which is special to pupils.

Dates of upcoming religious festivals and secular commemorations have been collated so that schools can use this calendar to support their planning of collective worship and their pupils' spiritual, moral, social and cultural development beyond the Religious Education classroom.

Congratulations to the winners and many thanks to all those who contributed to creating this calendar.
