

# HILLINGDON

LONDON

## New Community Lateral Flow Testing Centre Harlington Young People's Centre

From 25th January, Hillingdon residents can book a Lateral flow test at **Harlington Young People's Centre, Pinkwell Lane, Hayes, UB31PE.**

This testing is supplied by NHS Test and Trace and is available to essential workers and Hillingdon residents who are not showing any COVID-19 symptoms but may be asymptomatic and, inadvertently, passing the virus on to others.

**You can only get an asymptomatic test if you book an appointment in advance.**

Lateral Flow testing is also available at other sites across the borough.

More information, check availability and book a test:

<https://www.hillingdon.gov.uk/community-testing>

**+ KEEP HILLINGDON SAFE +**

### COVID-19 TESTING FOR RESIDENTS WHO DO NOT HAVE SYMPTOMS

Tests are now available to essential workers and Hillingdon residents who are not showing any symptoms but may have the virus and be passing it on to others without knowing

Results are often provided within an hour

You must book an appointment for a test in advance via [www.hillingdon.gov.uk/community-testing](https://www.hillingdon.gov.uk/community-testing)

If you have any COVID-19 symptoms:

- A high temperature
- A new and continuous cough
- A change to or loss of smell or taste

stay at home and book a test via [www.gov.uk/get-coronavirus-test](https://www.gov.uk/get-coronavirus-test)
