

2 hour session - Getting the most out of FFT Aspire for Hillingdon Primary schools

Tuesday 8th February; 10am

Hillingdon Primary schools are invited to an online session that will provide them with an in-depth look at some of the key functionality of the Aspire platform. The session will also give participants an opportunity to view some of the new features developed by FFT in the past 2 years. There will be the opportunity to ask questions at various points during the session.

Who is the session aimed at?

The session is ideal for SLT and school assessment leads who may be new to Aspire or want to see how the various elements of the platform can be utilised to support the school improvement journey.

How does it work?

This 2-hour session will be run by Stephen Turp, Principal Adviser at FFT.

During the session Stephen will include:

1. How Aspire can support your end of key stage analysis
2. Looking forwards – identifying potential gaps
3. How do your Attendance figures compare this week
4. Tracking your pupils through the key stage

This session is presentation-lead on the Zoom platform
