

Hillingdon Educational Psychology Service Traded EP Offer 2022/2023

Hillingdon Educational Psychology Service (EPS) have developed a comprehensive offer of support to our community of schools and other settings. This includes our traded EPS offer that provides a number of 'packages of support' that can be purchased to meet the individual needs of your setting.

Hillingdon EPS provides a specialist psychological service to schools, nurseries and other educational settings in Hillingdon. We contribute to improving outcomes for children and young people in schools and other educational settings and implement an approach that facilitates positive change. The focus of work can be at the following levels:

- strategic, systems and organisational level
- group and class level
- individual child, young person, staff, adult and family level

Examples of Hillingdon EP support includes:

- carrying out assessments of the special educational needs of children and young people in order to provide further insight into their individual needs and facilitate progress.
- providing specialist direct support to children and young people, including therapeutic interventions
- providing consultation advice to educational settings, parents/carers, and children / young people.
- support settings to explore, review and develop their strategic approach to SEND; this could include collaborating on key policies / guidelines and delivering whole school SEND reviews.
- offering bespoke Continuing Professional Development (CPD) and whole school training on areas of SEND

Reasons to choose Hillingdon EPS

- The EPS model of service delivery has been reviewed, establishing new leadership and growing / widening the offer, to provide high quality psychology and SEND support to greater numbers of Hillingdon schools / settings
- The EPS builds upon existing positive relationships with our Hillingdon schools and settings to provide an offer that is flexible to your individual needs, quality assured and demonstrates impact
- The EPS is the only psychology service with direct and established links to other services in Education, Health and Social Care across Hillingdon. This means that you benefit from an effective and co-ordinated approach
- Our team of HCPC-registered Psychologists has excellent knowledge and

expertise in child and educational psychology. We apply research to make sure that Hillingdon EP practice is evidence informed.

a. 5 days	£2,925	£575
b. 8 days	£4,480	£560
c. 12 days	£6,600	£550
d. 16 days	£8,560	£535
<ul style="list-style-type: none">– 17+ days and bespoke packages are also available.– Schools can consider buying in 'partnerships' or 'clusters' to obtain a lower daily rate.		
<ul style="list-style-type: none">– ADHOC EP days purchased will be charged at the set rate of £600 per day.		

Please note, if you wish to purchase additional EP time (ADHOC days) on top of your initial package throughout the school year, this can be agreed only if capacity exists within the team. We advise schools where possible to build in contingency EP time when purchasing initial packages so that you will not be disappointed if additional capacity doesn't exist.

When planning visits with your link EP, please advise them in advance of any planned student absence or school closures if possible so that traded days are not wasted. We advise schools to try to use 1/3 of days booked each term so that excess days are not lost at the end of the year.

Thank you for your continued support with our traded Educational Psychology Service and we look forward to working with you.
